Zenith MedSoft - Proposal

Response to RFP MCH-EMR-2026-01 | Submitted 15 September 2026 | Contact: info@zenithmedsoft.example

1. Executive summary

Zenith MedSoft is a growing healthcare software company. We are pleased to respond to the MCH RFP and believe our ZenithEMR product is a good fit for a modern hospital group.

2. Proposed solution

ZenithEMR provides patient registration, clinical notes, orders and reports. Interfaces to other systems are possible. Our product roadmap includes FHIR support and a patient app.

3. Timeline

The project would take approximately 8 to 12 months depending on the final scope. A detailed project plan will be shared after contract award.

4. Commercial proposal

Pricing will be discussed after a requirement workshop. We are confident that our price will be competitive.

6. Support and experience

Zenith has a dedicated support team and has worked with several clients in the healthcare sector. Customer references can be provided later.
